About Boo Fest

Boo Fest is an annual fundraiser for ACCESS the Saturday before Halloween.

The ACCESS Mission

The mission of Adapting and Changing Children's Environments with Successful Solutions, ACCESS, is to help support children with disabilities and their family in order to improve their quality of life.

ACCESS Services

ACCESS supports families who have a child with a disability in four key areas — financial grants, care giver education, an equipment exchange program, and peer support.

Where does ACCESS Serve?

ACCESS is based in Covington, Louisiana and we help many families in St. Tammany Parish as well as the Gulf South region.

Learn more about ACCESS

Information about ACCESS and details about Boo Fest are at www.ACCESSLouisiana.org, facebook.com/ACCESSLouisiana.
